Address: Casares, Málaga

A fantastic family home in Marina de Casares.

This house consists of three floors.

It has reformed the entrance and the kitchen, the kitchen would be fully equipped, the only thing that would take is the washing machine if you need them in your new home.

There is a toilet at the entrance for the guests, also new and renovated.

A large spacious living room with lots of light, from here to your own patio.

In the living room there is a fireplace and in your patio there is also a built-in barbecue to enjoy the summer days.

From the patio you go directly to the lawn of the community and 50 steps there is the community pool.

It is an area with lots of green and very familiar, quiet and pleasant.

Low community costs of only 72 Euros per month.

On the first floor you can find a room now converted into an office. A room that is now a girl's room. A family bathroom with bathtub.

The main room and a renovated bathroom with large shower.

In the upper part there is a solarium where you can enjoy the sun or more family barbecues.

A house in very good condition.

Easy access and with a supermarket 300 meters.

The best: The beach is 250 meters.

Easy parking

This is a good house to buy as a first home, second home or as an investment to rent.

There is a lot of potential in the area where it is located.

Perfect for lovers of nature, beach, hiking or bicycle.

Do not hesitate to visit it or contact us if you have any questions.
